*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2025/26

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments **must** be approved by the authority and properly initialised.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2026

- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor **must** be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide*.*
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- Additional costs may be incurred if additional audit work is required.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2025) equals the balance brought forward in the current year (Box 1 of 2026).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights which **must** be a single period of 30 working days for inspection (this excludes weekends and public holidays) which **must** include the first 10 working days of July.

In respect of

ENTER NAME OF AUTHORITY

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026 and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2025/26

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. Attachment 1.1 - Bank Reconciliation - Year ended 31 March 2026

Guidance per the Practitioner's Guide 2025 (selected)

Point 1.10 - "Statements reconciling each of the authority's bank accounts with its accounting records need to be prepared on a regular basis, including at the financial year-end and reviewed by members of the authority".

Point 5.20 - "The year-end bank reconciliation is a key financial control as it will provide evidence to support the total cash and short-term investments balance shown in Line 8 in Section 2 of the authority's AGAR. As bank statements may be made up to different dates in the month, care should be taken, particularly at year-end, to ensure that the statement being reconciled includes balances as at 31 March".

Point 5.175 - "Where an authority holds short-term investments such as deposit or savings accounts, all year-end balances must be reported in detail within the bank reconciliation and be included in the sum of line 8". For more information on short-term investments, please see point 2.23 of the Practitioner's Guide 2025.

Instructions for completing this template

1. Please fill in the figure from the Annual Governance and Accountability Return (AGAR) for the Box 8 Cash and Cash Equivalents balance.

3. The final row calculates a difference between the Box 8 value per the AGAR and the adjusted bank balance at 31 March 2026. This should be NIL (or round to nil) for the balance to be satisfactorily reconciled.

NB: If the authority has either total income (Boxes 2+3) or total expenditure (boxes 4+5+6) above £500,000, the authority must provide a copy of the bank statement(s) showing the value of the bank account(s) at 31 March 2026 to support the figures per this template.
